Hi Tina,  
Thank you for your answer and the quote. So, these are the Kaze series road bike wheels, right? I am interested in disc brakes.

Here is my address:

Have a nice day. :-)

Hi Friend,

Thanks a lot for your letter, base on our sales record, the model numbers for FSL45CM-26T-UL and FSL45CM-26T-DSL are best selling, because they are very light and stable.

Please kindly check the attached the Quotation for your information, do you need the rim brake or disc brake?

The lead time is usually 15-20 days.

The delivery time is usually 20-25 days to Europe.

Would you please let us know your address if you dont mind? We will offer the shipping cost and handing fee for your information so that you will make a final decision.

We are looking forward to hearing from you

Many thanks and best regards,  
Tina

Hello Farsports  
I am Looking for a road bike wheelset that combines the best price-value ratio. Which one of your wheelsets would you recommend?  
What is your current approximate order processing time for wheels?  
What is the approximate delivery time to Europe?

Thank you.
