Hi Petr,

thanks for your fast reply.

the wheels are out of stock in our German warehouse and they will be shipped from our Chinese factory directly to you, in around 3 weeks you will get the wheels, hope it's ok for you.

When placing an order on our European website: <https://www.yoeleoeurope.com/products/carbon-disc-cyclocross-wheels-for-sale>, you don't need to pay any taxes and shipping fees.

Looking forward to your feedback.

Best regards,
Felix

Could you please answer the questions regarding the delivery times? :-)

Thank you.

Hi Petr,

thanks for your fast reply.

In this case we recommend 38mm wheels: <https://www.yoeleoeurope.com/products/carbon-disc-cyclocross-wheels-for-sale>

Hello Felix,
I ride more hilly terrain and I look for disc. brake wheels. :)

Hi Petr,

thanks for reaching out.

May i know if you are riding more flat or hilly road? Disc brake or rim brake?

Looking forward to your feedback.

PS: our wheels got SGS and UCI certificated and have a 3 year guarantee.

Best regards,
Felix

Subject: Question about YOELEO wheels

Date: 2021-10-05 14:06:27.0

Hello YOELEO

I am looking for a road bike wheelset that combines the best price-value ratio. Which one of your wheelsets would you recommend?

What is your current approximate order processing time for wheels?

What is the approximate delivery time to Europe?

Thank you.
